

„Delivering results when businesses urgently require leadership and stability.“

EXECUTIVE SUMMARY

Ulrich is a seasoned Interim CFO and Managing Director with over 20 years of expertise in financial management, transformation, and international expansion. He has successfully led companies through growth, restructuring, and M&A transactions, including scaling Bavaria Medizin Technologie GmbH from €1.1M to €20M and managing its acquisition by Lubrizol Deutschland GmbH.

„I take responsibility in situations where companies need stability, speed, and strategic foresight.“

KEY COMPETENCIES

Financial Strategy & Performance: Budgeting, Controlling, forecasting, and capital structure optimization.

Transformation & Change Leadership: Restructuring, process improvements, and ERP implementations.

M&A & Post-Merger Integration: Due diligence, acquisition management, and seamless business integration.

International Expansion & Compliance: Establishing and scaling production sites while ensuring regulatory adherence.

KEY EXPERIENCE & ACHIEVEMENTS

Led growth from €1.1M to €20M in revenue

Scaled production output by 15 times

Extensive experience in PE-driven transformations

M&A expertise: Successful company sale & PMI

Established and managed new production facility in Romania

Implemented an advanced ERP system for improved process efficiency

With a hands-on and entrepreneurial approach, Ulrich delivers rapid impact in high-stakes situations, making him an ideal choice for interim executive roles in finance, transformation, and business leadership.
